## ACTION REQUIRED - REFERENCES

Action Required: For information of office of General Counsel

1. As a follow up to conversations between Robert K. TROUCHARD, Terence S. CRABANAC and the Office of General Counsel concerning present attempts to regain for AMCLATTER-1 his lost American citizenship, TROUCHARD met AMCLATTER-1 on 24 August. TROUCHARD explained that we were seeking a basis for an administrative type of review of his case and needed any records which he might have, such as notices from ODACID concerning his loss of citizenship, notices from his attorneys in his attempts to regain citizenship and copies of any pertinent correspondence. The objective is to determine if his citizenship can be restored without his having to leave the country, return in an immigrant status, and wait for a period of five years.
2. AMCLATTER-1 stated that he had nothing in writing since he had to leave PBRUMEN surreptitiously. He could only add the following commentary to those records which were already in ODACID or ODURGE files: According to his recollection, the paragraph of the Nationality Act (he believes it to be Section 5) by which he was separated from his citizenship status stated that before procedure can be taken to remove anyone's citizenship he must have prior notification that such procedure is being contemplated and be allowed to express his side of the question. AMCLATTER-1 states that he was never called in to be questioned, but received an after-the-fact notification in writing that he was no longer an American citizen. At this same time, however, he states that he was a constant visitor at ODACID where he had worked in close cooperation with the ODENVY office and his address was on record with ODACID so that he could be reached easily at any time.
3. The efforts of the office of General Counsel and ODURGE representatives in this matter are greatly appreciated.
